EXPERIENCE

OFFICE ASSOCIATE | Royal Inn Hotel, Baramati
(Feb 2023- Dec 2024)
- Worked as a Front Office Associate, handling guest check-ins, check-outs, and reservations. Provided exceptional customer service, addressed inquiries, and ensured smooth coordination between departments. Managed guest accounts, processed payments, and contributed to a positive hotel experience.
- This position enhanced my communication, problem-solving, and time-management skills, allowing me to thrive in a fast-paced hospitality environment. I contributed to the hotel's reputation for quality service and developed a deep understanding of the hospitality industry.

PROJECTS

EXPENSE TRACKER Try it!
- Developed a responsive Expense Tracker using HTML, CSS, and vanilla JavaScript to manage personal finances.
- The app allows users to add income/expense entries, view transaction history, and see updated balance in real-time.

CALCULATOR Try it!
- Designed and developed a responsive Basic Calculator using HTML, CSS, and JavaScript to perform standard arithmetic operations like addition, subtraction, multiplication, and division.
- The calculator features a modern UI with real-time input display, functional buttons, and responsive layout for different screen sizes.

BODY MASS INDEX CALCULATOR Try it!
- Developed a responsive BMI Calculator web app supporting both metric imperial units, with real-time health status feedback.
- Used HTML, CSS, and JavaScript for dynamic UI and logic; added colorful transitions and interactive design.
- Also created a basic Python script for command-line BMI calculation (for learning and practice).
